"Education is not preparation for life;  
education is life itself"

John Dewey

"It is not the critic who counts, not  
the man who points out where the  
strong man stumbled . . . The credit  
belongs to the man . . . who at the best  
knows in the end the triumph of high  
achievement; and who at the worst, if he  
fails, at least fails while daring."

Teddy Roosevelt

Kim Smith

MISS KIM SMITH

We, the class of 1990, dedicate our yearbook to Miss Kim Smith. When Miss Smith came to the high school four years ago, she took on a tremendous job. Not only is she the director of the bands, she is the senior class advisor and an adjustment counselor as well. She devotes one hundred percent of her time and energy to her students. The results of her effort are simply amazing. In the past four years she has built a State Championship Marching Band and an Award winning Jazz band. She organized a trip to Disney World where many of the musical groups performed and competed. Her talents and achievements are phenomenal, but it is truly her warm, sensitive personality that make her so endearing. No matter what happens she is always supportive of her students. She is fun, energetic and truly dedicated in every sense.

We would like to thank you, Miss Smith for everything you have done for us. You are a terrific teacher and a great friend.

“**T**

hou wert a guide, philosopher, and friend.”

A. Pope

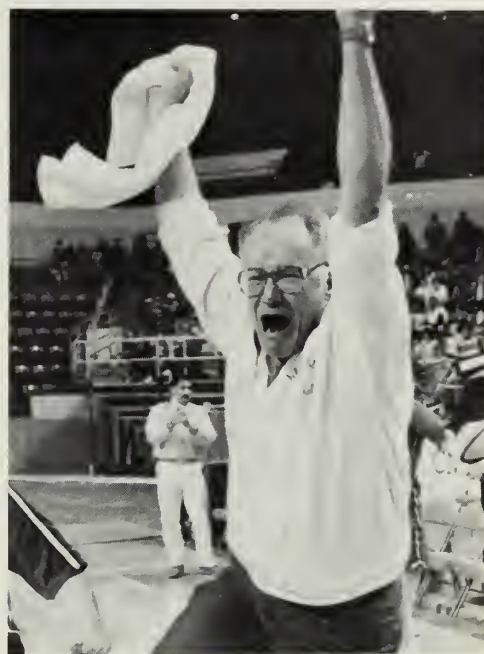

*Ms. Glenn is a very special friend to the class of 1990, as she has been to many classes in the past. She has made us feel that if we have a problem we can turn to her for help. Her class was very enjoyable as she makes everything she is involved in fun. She deserves special recognition because she is an excellent teacher as well as an amazing woman who always took the time out of her busy schedule to measure us for caps and gowns, and organize our graduation, or help out with prom activities. As a teacher and a friend Ms. Glenn will always be valuable to us.*

*Thanks Ms. Glenn for being the special person that you are!*

# "I N MEMORIUM

*So strong you were, you taught us well  
with intensity leading the way  
You brought out the best in each of us  
giving us more than we could repay.  
You showed us how to be champions  
through much determination and support  
Your passion is instilled within us  
both on and off the court.  
Mere words could never express our sorrow  
forever we will feel the pain  
But fortunately we are blessed with the  
knowledge  
our loss is Heaven's gain.  
And fond memories we will cherish  
for although we are apart  
an eternal flame of love  
Will burn within our heart.*

Stacy Silveira

Mr. Bernie Plansky

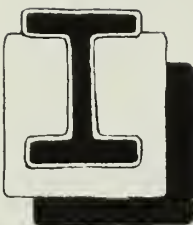

Mr. Nathan Ranen

*Mr. Ranen was a member of the Wakefield High School Business Department, who passed away suddenly of a heart attack. He was an outstanding teacher, family man, and most of all, a friend. He was willing to help anyone with anything. He was always there if you needed help on schoolwork, a joke to share, or just someone to talk to.*

*One thing we all loved about Mr. Ranen was his sense of humor. He could make us laugh and his wit made learning the subjects he taught fun and interesting. His loving personality and devotion to life made him all the more of a respected man. He brought out the best in everyone and taught us to excel in all that we do. Those of us who had the privilege of being his students will never forget all he taught us. He will be remembered forever, in the hearts of everyone because of the dedication, love, and support he has given to all.*

“

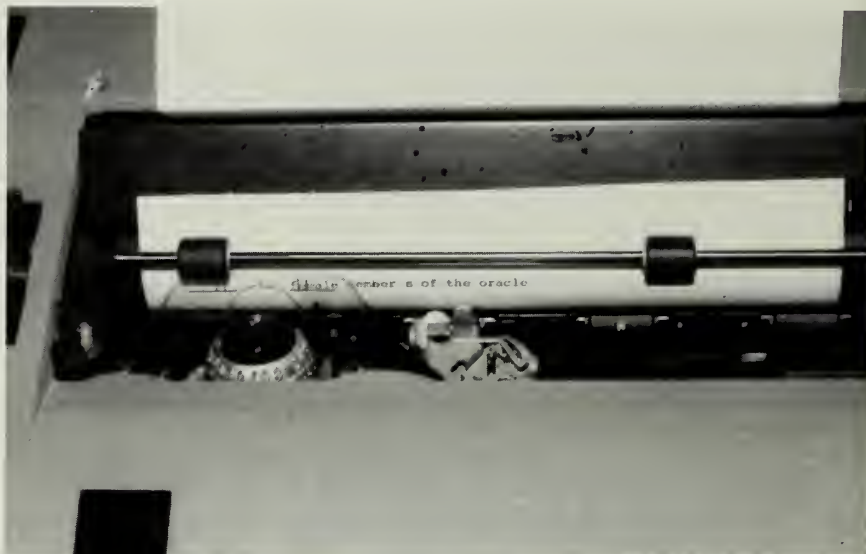

am Sir Oracle, and when I ope my lips let no dog bark!”

-William Shakespeare

Special thanks to Ms. B. Tom Keeley for the new cropper, Monica and Gabrielle Keeley for delaying our deadline, thanks to Mr Chibaro, Mr. Laman and Ms. Smith for putting up w/us and the janitors for putting up w/ our room.

Thanks to all who have helped us put the book together (we're sorry we couldn't have pictures of everyone): Carole Markley, Mike Philbrick, Alison Taatjes, Lisa Russo, Angela Fabbri, Amy Daniels, Stacy Silveira, Amanda Applin, Liz Collier, Kim Hoffman, Kelly Dwyer, Sue Higgins, Wendy Wallace, and Annette Guaetta. A very BIG thanks and apology to Eric Jackel (see pp. 130-131). We would also like to thank everyone who has given pictures, written last minute copy and helped us in countless other ways.

From the burning embers of the war-torn oracle room rises this book, phoenix-like, into the sky.

"I will do work today-I just have to go home first"

“**S**ummer, it turns me upside down . . .  
summer, summer, summer . . . it's  
like a merry-go-round . . . ” -The Cars

Summer- the best thing about school. For most of us, summer means being with our friends, catching some rays at the beach or by the pool. The summer

*before our senior year was the first summer that most of us had our licenses. This allowed us much more freedom than we were used to. We couldn't always find something to do or someplace to go, but just having the access to a car made it all seem less boring. The worst part about summer is probably the dreaded "family vacation", a week trapped with your family and without your friends. We can usually be found at the cottage at the Cape, Rockport or Hampton, or maybe camping. But even that is never as bad as you think it will be. Most of us also hold summer jobs, which makes it harder to plan trips to the beach but gives you enough money to buy the perfect bathing suit for when you finally do get there. By the way, weren't we supposed to visit colleges this summer? Oh well, time for double sessions and then back to school. Where did the summer go?*

"The summer before my senior year was the best summer I've had so far."

"This sure beats detention!"

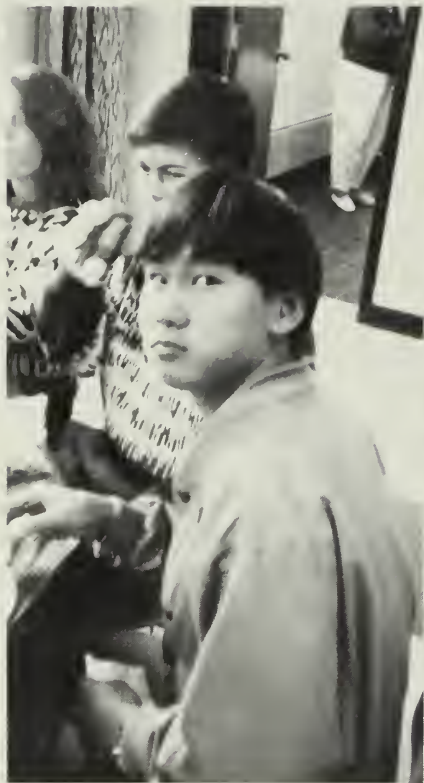

Jim and Annie study great literature while at Bryant college.

Wow! Thai pizza never tasted like this

## Lunch . . . At Wakefield High, It's More Than Just A Time To Eat Your Bacon Burger.

It's a time to sit back and reflect upon the finer things in life. When we speak of lunch, perhaps it would be best to talk of a superb high class restaurant accompanied by the finest in dining atmosphere. Where else but in the Wakefield High cafe can one sit down to a scrumptious slab of school pizza and a Hood low calorie chocolate milk? . . . Alright, well, where else can one sit among his peers and contemplate the great philosophical queries such as why there are dried up pickles stuck to the wall? Only at the cafeteria. Here, your every need is catered to, your every wish is realized . . . Well, maybe not . . . But some are.

"Anyone have  
Roloids?"

"Why am I here when  
I should be at  
Toody's?"

“**S**till cruisin’ after all of these years.”  
The Beach Boys

*When we got our licenses, we found out just how hard it was to stay within the speed limit. Then Dukakis passed those great new speeding fine laws. But lets think on the bright side . . . all the good things having a car has brought us. Now we can drive around on weekends looking for something to do (even with a car that's hard in Wakefield!). We don't have to wait at the bus stop with a bunch of freshmen who fight to get the back seats of the bus. We can beep at driver's ed. cars now that we passed the course. But as we all know, having a car isn't all fun though. We're all familiar with asking "OK, who's got gas money?" And remember fighting in the lecture hall to get parking stickers? It was easy if you were friends with Ms. Hallinan or Mrs. Defeo. But let's face it, life is more pleasant when you've got a car.*

“Have you ever wondered  
what 10,000 videos do after  
work hours are over?”

Teresa at Blockbuster Video

*Do you remember your first job? Soon after the nervousness of the first day and the excitement at the first paycheck wore off, it wasn't so great. You're friends would tell you, "call in sick, call in sick!", but there are only so many deathly illnesses you can find that seem to recur just on Friday and Saturday nights. So you go off to work and hear the next day about the most incredible party that you missed or the excellent movie that your friends went to see. Still though, a weekly paycheck isn't bad, and admit it- sometimes work can be fun.*

“**I** get by with a little help from  
my friends”

- Lennon & McCartney

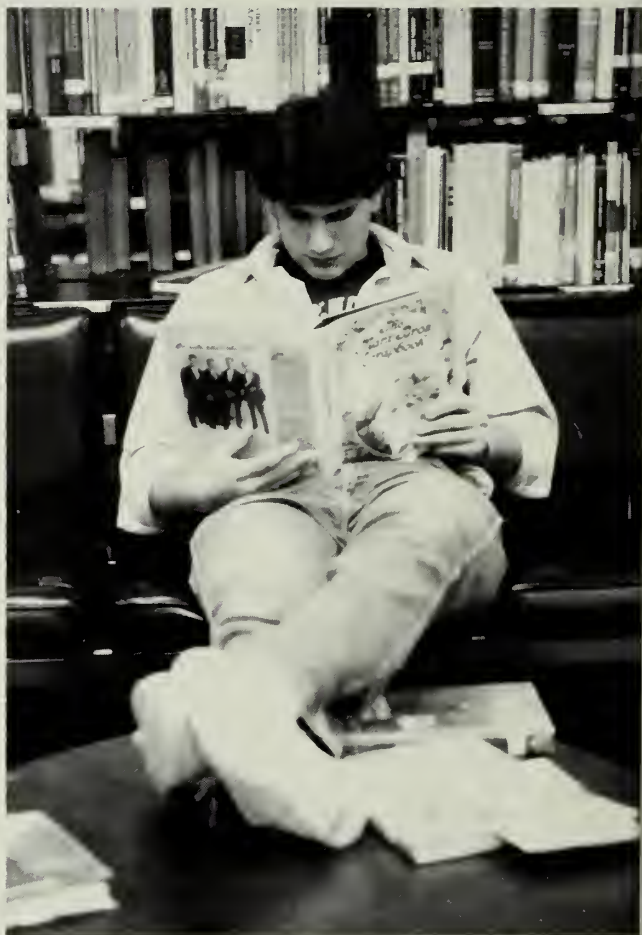

*Seriously, what would you do without your friends? The weekends would be pretty boring. Go to a football game by yourself? No way! And what about that last minute homework you have to get done in home-room? Could you really do it without a little help from your friends? Whether its cruising on a Friday night, passing notes in class or talking late at night on the phone, having friends is great. And being one is even better.*

SATURDAY, APRIL 9, 1988

7:30 p.m.

\$15.00 per couple

Sophomore Hop . . . April 9, 1988- "We've Got Tonight". "Who will I ask?" We have to take a limo or Dad's going to drive! Buying gowns and renting tuxes . . . streamers and balloons- royal blue, light blue and pink . . . dancing all night . . . Lisa Russo and Brett Rossicone are queen and king. "Where's the party??" Taking off afterwards to Bali Hai and Kowloon . . . "Be home early!" (yeah, right). "I had lots of fun, but I still can't wait for next year!"

# "W"hen I'm With You"

- Sheriff

*May 20, 1989- Our junior prom, "When I'm With You". Brian Hurton is king and Tara Turner is queen. A walkway of streamers, and balloons everywhere. "Why didn't I use suntan lotion at the beach today?" Someone turn on the A/C! Did anyone eat the food? Can't wait for some Chinese food and those romantic walks on the beach! A night of luxury in our limos with great friends and great memories.*

"Party at my house!"

## he Man Who Came To Dinner

*For those of you avid Oracle readers who happened to see *The Man Who Came To Dinner* you can understand it when I say that it was a truly great performance. Even on Thursday! And even if the junior high didn't get any of the jokes, they have to admit that our set was pretty incredible. "Nice set!" And even if, on the rare occasion that a line was dropped and the laughter ceased for a few solemn moments, someone yawned, they have to admit that we had costumes that surpassed any ordinary production. However, it wasn't all fun and games, we did have to go to rehearsals and stuff. But overall, it was worth it, both to us, and to the many people that we entertained. Yessiree Bob, such a play as "Man" is truly one to be reckoned with. For those of you who missed it, well, too bad you would have enjoyed it. I know we did!*

## *Fiddler On The Roof . . .*

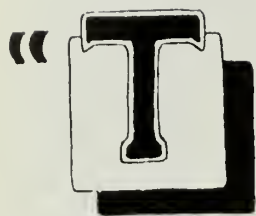

sounds crazy, no? Well it was. "If I had a budget!" Everyone remember when Nancy took the plunge and sprained her wrist? How about those bottle dancers! "Fix your bottle!" But seriously folks, Fiddler was one of Chibber's best. And to think, we made it all happen with a little work, some determination, and loads of fun. Besides, wearing those disgusting mustard yellow sweat-shirts wasn't all that bad, when you consider . . . well, actually that was kind of traumatic. And the performances made it all worthwhile. "How many days do we have Jim?" "You have three days!" Now does anyone remember where to accent "Tradition?" Boy can that Rabbi dance! And poor Campy who got pummeled by a sugar bottle wielding Russian. And poor Mordcha and Nachum who had to carry him off through the shattered remnants of, "The Wedding." "Say, did you hear, Chibber's got the measles, Nancy's got the mumps, Jim's taking dancing lessons, Ken lost his tonsils, Tucker's been ordained! Just kidding, everything's fine, had you worried for a minute there, didn't I?

Thank You For Being A Friend"

- Carole King

What do Jesus Christ, the California Raisins, Crash Corner, and the Dozen Pink Ladies all have in common? They were all part of the Magical Musical Moments that made up our senior show. There was song, there was dance, there was more dance . . . Didn't you always want to know how much dance you can fit in a two hour period? Well, we got just about all the dance we could for five bucks. It was indeed a show to be reckoned with and will undoubtedly leave this year's juniors quaking in their hip waders as they ponder how they might improve upon such an extremely extraordinary extravaganza.

“S

omewhere i have never traveled, gladly

e.e. cummings

*On April 14, 1989, about twenty five students and three chaperones left Wakefield on a trip to Spain. They arrived at Torremolines and went to Sevilla, El EsCoreal, Madrid, Toledo and various other places for sight-seeing. Never forget the night on the Sangria boat and the best fireworks display ever. Thanks to Manuel, the bus driver, and the chaperones Mr. Salerno, Mrs. Moakley and Ms. McKenna.*

# IT'S PARTYTIME!!!

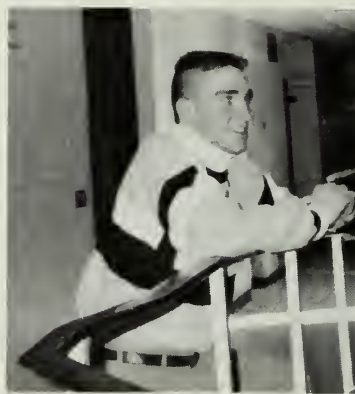

Senior Class 1990

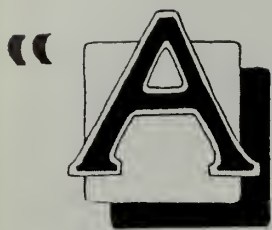

*Yes, we were the class who broke high school tradition . . . we had two ski trips, both to Montreal, both in junior year, and both condemned by faculty, administration and parents. But we had fun: great skiing, plenty of shopping, and a little partying. Who says no one skied on Saturday? By the time senior year rolled around, letters about these "ski trips" had been sent to every students' parents. But we all know everyone needs vacation, anything to take our minds off school. We had our fun on weekends and summer vacation too. Maybe a little too much fun, but who says you can't have too much of a good thing?*

*League Champs! The 1989 Warriors led by co-captains Anthony Folger and Anthony Encarnacao captured the league title for the first time since 1973. Along the way they defeated Lexington for the first time this decade. The last three games featured victories over undefeated Woburn and Winchester, and an exciting 10-6 victory over Melrose on Thanksgiving. The Warriors were rewarded for their effort as 9 players made All-League and four made Honorable-Mention. Anthony Folger received Boston Globe All-Scholastic. One bad note, Coach Connors did retire at the season's end. But the team will always be remembered as a team that stayed together and captured the Middlesex League Title.*

“**T**

hey used to call us the rat pack from Wakefield, but now they can call us State Champs.”

Dave Sagarino

*State Champs! Incredible is the only way to describe the 24-1-2 Wakefield Varsity Boy's Soccer team. Leading the team to titles in the Middlesex League and Division I North, along with the EMass and State Championships were quad-captains Scott Harrington, David Sagarino, Pat Skulley and Justin Townshend, and seniors John Anjim, Jason Bentley, Jerry Berg, Rob Cerulo, Ross Ickes, Jon Oliphante, Nick Quartriello, and Eric Szabo. Named to the All-star teams were Justin Townshend, Scott Harrington, Nick Quartriello, Rob Cerulo, Jason Bentley, Middlesex League MVP Pat Skulley, and Dave Sagarino, the Middlesex League's best goalie. Along with Coach Kelley's 300th career win, the season also brought the first soccer state championship in the history of Wakefield High School. The team and all their fans would probably agree that it was an unforgettable season.*

The boys cross country team had a number of individual successes, despite a disappointing record. Captains Jim Ward and Scott Dinan were Middlesex League All-stars and placed third and eleventh respectively in the League meet. Jim Ward became the first Wakefield runner in three years to break fifteen minutes on the home course. All of the runners improved over the course of the season, as shown by a number of close meets. Coach Deke said that with such a small team, they could only hope for improvement during the season.

The girls cross country team had a number of seniors this year: captains Donna Smalarz, Karyn Dooley and Michelle Pastore, and seniors Cristi Keenan and Tina Antippas. The girls all improved upon their times and did well, including Donna Smalarz, who received League All-star recognition. The team will never forget "Happy Birthday Cross Country", "Who's Donna?", "Where's Deke?", of course he's only on time when people have detention, "My eyeballs are frozen", "tea parties", and running through Breakhart to look at the "foliage". The team should continue to improve next season.

"We'll beat Melrose next year!"  
- Jen Connolly

Led by captains Debbie Halligan and Tara Turner and seniors Jen Connolly, Julie Howe and Stacy Silveira, the swim team had a good season. The team had a 4-5 record (almost 4-4-1, with a close meet against Melrose). The medley relay team of Deb Halligan, Tara Turner, Kate Coughlin and Krissy Logan qualified in the Northeastern Sectionals. Logan also qualified as an alternate in the backstroke. Thanks coach for a great season!

*The golf team had one of its finest seasons this fall. Under the coaching of Dave Tropeano, the team tied for the best W.H.S. golf record ever, and qualified, for the first time, for the state tournament. Jeff Whitney and Bill Agganis were captains, while the other seniors included Mike McHugh, Bill Scally, and Steve Sheridan. Agganis went on to become a Middlesex League all star, with Whitney and junior Craig Pittman awarded Honorable Mention. The team has been getting progressively better over the past few years so we can expect a solid team next year.*

Back row: Coach Roberto, Meaghan Dwyer, Leanne Spence, Laureen McGonigle, Missy Couture, Dawn Vitukevich, Kim Smith, Sharon Phipps, Amanda Lally, Michelle King, Coach Riordan, Coach MacFarland.

The Wakefield High School Varsity Field Hockey team had a great season this year. With a 10-6-3 record, it was the first team in three years to qualify for the State Tourney. A disappointing loss to Malden in 2 OT's and a stroke off ended the season. The seniors were Carole Joy, Ali, Annie, Middlesex League All-stars Kara and Janine, and co-captains Digga and Flash. Throughout the season, everyone became closer friends, and the team's hard work paid off. Never forget the Chinese restaurant (red napkins) Joy, Kim and Andrea's toilet papering (how many rolls?), Digga's run, Carole & "Kill the money grabbers!", quiet bus rides, Miss Riordan's Jeep (on Main St.), "Why is the top on? It's 100 degrees!", post games celebration at Ali's, chopping broccoli, Janine falling, GWA, dangerous hits (that was your head!), sprints, and Watertown and the casualties. Special thanks to managers Beth and Meg, and thanks to the field guys. The team would like to give very special thanks to Miss Riordan for being the best coach ever, for making us smile with her charming personality (yaaaahh!), for keeping us on our toes, and most of all for putting up with us. The seniors would like to wish next year's team the best of luck.

*Like many of Wakefield's teams this year, the basketball team had an outstanding season. With cocaptains Brian Hurton, Brian Montroni, and Dave Harrington leading the way, the team advanced to the state tournament with a victory over Lexington, capping a great final run which raised their season record to 14-3. Made up of multi sport athletes (Dave Harrington, Paul Anastos, Brian Hurton, Brent Conley, and Marty Tucker from the Middlesex champ. football team and Pat Sculley, captain of the state champ soccer team), the basketball team proved to be the epitome of the motto "Success breeds success".*

The 1989-1990 girls Basketball Team had a winning season, compiling a 10-8 record with two games left to play. The team was led by co-captains Michelle Haladay and Amy Foss. With a lot of hard work, the team had an enjoyable season and is looking forward to next year.

The 1989-90 gymnastics team had a successful season, winning 5 meets and scoring their highest in six years. Led by coaches Suzanne Melanson and Maura Cardillo, co-captains Angela Fabbri and Andrea McCarty and seniors Lisa Paone and Donna Smalarz, the team worked hard all season. Never forget Saturday morning weigh-ins, aerials off beam, the whole team getting taped, K.B.'s inspirational leg lifts and rap sessions during after practice conditioning. This year's seniors would like to wish next year's team the best of luck.

*The Warrior Wrestling team had an incredible 89-90 season, finishing with a 14-4-1 record, the best in ten years. Coaches Brian and Ron Clark, captains Anthony Folger, Sean Dwyer, and Mike Kilkelly, led the team to some outstanding wins. The high point of the season was the victory over Burlington, 35-33, who they had lost to 70-6 in the last season. The team boasted several great wrestlers including Elio Mauro and Anthony Folger, who went on to become league champions.*

*Paced by good effort and coaching from Coach DiCommandria, the boys track team had its first winning season in a number of years. Many of the Trackmen went on to the state meets in which they faired well. Tri-Captains Scott Dinan, John LeSaffre, and Tony Kim performed well in their events this season. Also contributing to this years success were seniors James Ward, Shawn Werder, and Peter Breslin.*

*Despite a disappointing record, the girls track team had fun and put in a good effort. The team captains, Karen Dooley, Amy Chekos, and Pam Martin, had good seasons, with Chekos, Martin and Lisa Magnuson qualifying for the state meet. The highlight of the season was the win over Watertown, which ended their season. There are many promising underclassmen who will have a solid team next year.*

The hockey team, led by captains Jim Umile and Mark Wallace, turned in another great season for Wakefield High. For the second consecutive year, the Warriors qualified for the state tournament after beating Woburn 4-2. This year's success was a result of a team effort and an outstanding contribution from the juniors. The offense provided the scoring and the defense, led by goalie Steve Salsman, kept the Warriors in each game. All this hard work and practice gave Dave McCarthy his 100th victory and another chance in the tournament. The 89-90 team will always remember talks before practice, O'Keefe stories, "Sids", team meetings, and all the fun times we had together.

For the warriors, the 1989 baseball season proved to be a great one. Led by coach Guidi and asst. coach David Tropeano, Wakefield dominated the Middlesex league. Propelled by Dave Harrington's 10-0 record, the Warriors defeated the Voke and North Andover in post season play. Advancing to the semifinals, it took Astros prospect Jeff Juden to bring them down. Salem's Juden shut the door to the finals by pitching a 19 strikeout, no hit game against Wakefield. The outlook for the '90 season is good. With captains Bill Agganis, Anthony Encarnacao, and Dave Harrington leading the way, the Oracle at Wakefield predicts a fine season.

The 1989 Varsity Softball Team had a promising season, ending with an 18-4 record. This tied them for second place in the Middlesex league. The team made it to the semi-finals in the state tournament games. Veteran coach Brenda DeNinno won her 200th coaching game which was a great way to tie up her softball coaching career. Assistant coach Lisa Zappala was also a great asset to the team by sharing her knowledge of the game. With great enthusiasm and skill, seniors Joy Nardone and Kara Zito played an important part in the teams success. The future looks bright for the Warriorettes, who are led by captains Janine Davey and Audra McCall.

# “TENNIS ANYONE?”

*The boys tennis team, under the tutelage of Brad Simpson and assistant Steve Bergholtz, took the tennis world by storm with their awesome 7-6 record. Cocaptains Darren Sliney and Sean Higgins valiantly led the home troops to victory after stunning victory in first singles and doubles respectively. P.J. Nelson and Brian Harrington, our fiercesome 1990 captain, also brought their opponents to their weakened knees. The very sight of the tennis Overlords of Wakefield sent the Watertown pingpong serfs to their bloody graves. Also fresh from the battle fields are the relatively unscathed juniors Ed Burns and John Khachadorian who vow to carry on the fine tradition of opponent mutilation on the courts.*

Chekos, L. Magnuson, A. Foss, C. McMenimen, C. Skully, J. Mc Dermott, P. Martin, K. Brennan, E. Reardon, N. Kirmani, Coach Pavey.

Although last year's track team, led by co-captains Tara Haggett and Michelle Humphreys, did not have a winning season, there were quite a few outstanding individuals. Wakefield had a great showing in the Northern Area meet, with Lisa Magnuson placing 1st in the 800, Tara Haggett 2nd in the shotput, Amy Chekos 5th in the mile, and Pam Martin 4th in the 220. Middlesex league all stars for the team were Haggett, Magnuson and Chekos. Other important team members included Courtney Skulley and Amy Foss. Coach Parey is very optimistic about this coming season.

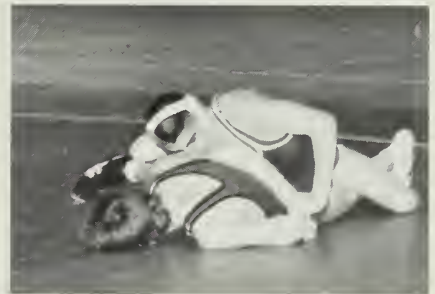

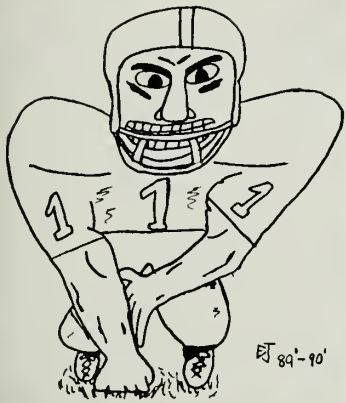

In the 1989 Spring Track season, many of this years seniors proved that Coach Jim Duff and assistant coach John DiCommandria are doing their jobs. Marty Tucker and Pat Skully went very far in state competition and Marty succeeded in breaking a school record in the high jump. In the running events the long distance races were well represented by Scott Dinan and the hurdles by John LeSaffre. In the field events there were several talented athletes including Jack Haggerty, Brett Rossicone and Brian Hurton. With a well rounded experienced team, the 1990 Spring Track season looks promising.

Who ever could forget that literary magazine "Reflections", which took your written whimsies and brought them into print? With the invaluable aid of the many contributing students, the magazine, now in its second year of rebirth, has managed to capture the talent of Wakefield High . . . Well, we did manage to get some copies out, even if they weren't perfect (see below). Undoubtedly, with advisors Christine Beagan and Cherrie Dubois backing it, "Reflections" will continue to prosper.

Under the leadership of editor Pat Curley, the Outlook may have had several amazing editions . . . Maybe even thousands! It may have become a strong force at Wakefield High . . . Or maybe a controversial anarchist journal. Who knows? At any rate, the Outlook of 1990 was sure to be a mild success (provided that an edition was even printed).

*The PomPon team would first like to congratulate the football team on its extremely successful season. Their exciting games and the band's tunes made this season a lot of fun. We also had a very successful season. Between camp and the football season we are sure our hard work paid off in competition. We want to thank Caroline, our advisor, for always being there for us. To the seniors, it looks like were finally getting sweatshirts!*

## Cheerleaders

*Two squads? Fall and winter cheerleaders! Although there were many changes this year, we had a blast. Double sessions, (if that's what you can call them), toilet papering in the rain, and all those fun games. What do you mean we're athletes now? So when is the first pep rally? Lauren and her pushups. We would like to thank Lauren and Mrs. C. for all their help and patience. Good luck to the squad next year.*

## Majorettes

*These last 3 years of majorettes have been great. No matter how cold, we got out to all the games. This last year has been one of the best, because our football team won so many games against many tough teams. Leaving that kind of triumph will be hard. Hopefully all the new majorettes will enjoy it as much as we did and we hope they have a great team to make it all worth it. Good Luck!*

*AFS, or American Field Service, gives American students the chance to meet other students from different countries through our exchange program. We can learn about and appreciate other countries and their cultures through this program. Each year the club throws a party welcoming the new exchange student. This year Wakefield High School is fortunate enough to host two foreign students: Cecilia (Cecy) Mena from Ecuador, and Pitiporn (Pete) Suwattee of Thailand. We hope they have enjoyed Wakefield as much as we have enjoyed them.*

"Wakefield is a great town. It's a lot different from Thailand!"

*My name is Pittiporn Suwattee, an AFS student from Thailand. I have enjoyed my stay in Wakefield very much. I think Wakefield is a great town. It is a lot different from Thailand in some ways: the weather is a lot colder, and there is less traffic. I like American food a lot, especially cafeteria tacos. I'll never forget getting lost in the halls and being late for my classes. This school is complicated! Special thanks to my father and mother, the Thomson family, Mr. and Mrs. Osbourne, and Ms. Lind. I will always remember my wonderful year in Wakefield.*

*My name is Cecilia "Cecy" Mena. I am an AFS exchange student from Riobamba, Ecuador. This year at W.H.S. I enjoyed choosing courses which I might not have had the opportunity to take at home. The history and English courses help me develop better language skills while fashion merchandising and drawing have given me a different outlook. The variety of sports at W.H.S. entertained me in my spare time. Because I went to an all girls high school without many athletic activities, I have enjoyed this difference at Wakefield High School. I liked watching my host sister play field hockey and attending my first American football game. Chorus was one of my favorite extra curricular activities and I was very happy to be a part of it. Thanks to my friends and teachers for making this a most unforgettable year!*

Peer Leadership is a large group of students who break up into smaller groups and travel to fourth grade classes in Wakefield to discuss with them the dangers of drug and alcohol abuse. They pass out pamphlets and answer any questions the kids might have about substance abuse or just about anything. The group feels that it is important to let the kids know what is going on and that the kids might respond better to students at the high school level.

The four members of the Student Advisory Council alternate as representatives of the student body to the School Committee, which holds meetings every two weeks. Elected by the students in the high school, the members voice the opinions and concerns of the students on issues such as ski trips or even the curriculum. The members feel that it is important for the students of W.H.S. to be represented to the school committee when problems concerning them are discussed.

"Prevention is the best medicine."

Debbie Halligan

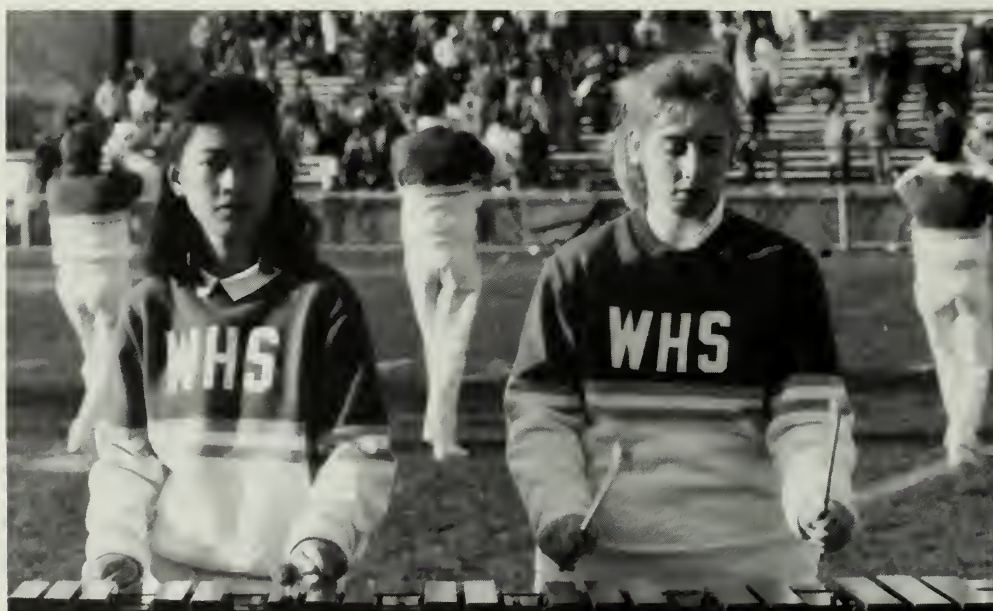

P.T.S.A. is the Parent Teacher Student Association, which holds frequent meetings to discuss school issues. Two members from each class are elected by the student body to represent the students and give their views to the board. Student concerns and problems, as well as those of the teachers and parents, are discussed at the meetings in hope that they can find possible solutions.

**SOCIATION

The Wakefield High School Marching Band has had another outstanding season. From September to November, the band has been performing and competing. For the third year in a row, the band won the EMBA competition, capturing First place, Best Colorguard, Best Music and Best Percussion. The band also hosted the Ninth Annual MICA Festival and received four stars overall. At the NESBA competition they received the award for Best Colorguard. Their greatest achievement this season is their incredible victory at the MICA State Finals. They received a perfect score of five stars in every category and won the Division I State Championships. Upon arriving home after the state finals, the group was escorted back to the high school by fire and police. This is the first time the Marching Band has ever won the state championships and most probably not the last time. The band is directed by student leaders, which makes it different than other groups in the high school. Drum majors Elisa Doughty and Erica Walton conduct the music while Diane Bottari leads the Colorguard. Percussion Captain Scott Rogers also conducts for one of the songs. "Congratulations Winchester . . . I mean Wakefield;" "Why is it that the band performs better in the rain?" "Don't make me come down there . . . You don't want me to come down there!!!" "Don't settle for mediocrity" "French Horns are the official cause of many of the natural disasters on this planet." "Ooops . . . I think we knocked over the trophies in the case." "Three flags under the bleachers, how many to go?" Thanks Miss Smith, Mr. Perednia, & Mr. Smith for your unending support, energy, and dedication. You are the reason we are State Champions.

**I** don't know anything about music really, but I know what I like."

- Sir Max Beerbohm

*Many of the activities students participate in here at the high school are in the music department. The groups rehearse before, after and during school. The groups give concerts in the winter and spring where they play a variety of music ranging from classical to contemporary and jazz. Most of the musicians play several instruments in different groups. The jazz band competes in addition to performing. During the spring they do several competitions. For the past two years they have been Northeast Districts Champions and have received high honors at the University of New Hampshire Jazz Festival. The band also competed in the International Musical Festival where they received a silver medal. All of the music groups hope for more success in the future season.*

*Three of the music groups at the high school are vocal ones. The Chorale, Chamber Singers and the Starlighters all perform and the Starlighters and Chamber Singers compete as well. The chorale meets Tuesday and Wednesday mornings at 7:00 a.m. The group sings classical and popular music. The chamber singers are the elite singing group and is composed of the top singers of the department. They competed at the international music Festival in Florida and received a bronze medal. Like the chamber singers the Starlighters also competed in Florida where they received a silver medal. They also performed inside Disney World and received high honors at the University of New Hampshire Jazz Festival. The Starlighters sing popular music and dance to choreographed moves.*

f a free society cannot help the many who are poor, it cannot save the few who are rich." John F. Kennedy

### Social Awareness Club

*The Social Awareness and Responsibility Club was begun this year under the guidance of Ms. Porter and Ms. McDonough. In this short time, this group has done much good for the community and has many plans for the future. Before Christmas, they collected clothing and brought it to the St. Francis Day Shelter, the only daytime homeless shelter in Boston. They have participated in three recycling drives, and will use the money to buy food which will they will make and serve at My Brother's Table in Lynn, on March 9 and again on April 10. They have also held a food drive for Wakefield's Interfaith Food Pantry and are in the process of adopting two whales. In the spring, they plan to hold a dance, to which admission will be toiletries, and participate in the greater Boston Walk For Hunger. To commemorate Earth Day, Social Awareness hopes to plant a tree on school grounds, as well as participate in townwide events. Clearly, the Social Awareness and Responsibility Club has great plans and a lot of dedication, and will continue to work for the good of society and the world.*

### Amnesty International

*Wakefield High's Amnesty Chapter is just a small part of the huge network of people that make up Amnesty International. Our school chapter was begun in 1988 by Janet Connolly with Ms. McDonough as adviser. Amnesty members write letters to government leaders of other countries asking them not to violate the human rights of their prisoners, many of whom have been imprisoned inely for having dissenting political opinions. The huge volume of mail, and the knowledge that people all over the world know what they are doing, scares many political leaders who might otherwise forget about their prisoner or torture and kill them. The letters of students are particularly effective, as political leaders recognize us as the future of our country. In addition to writing letters, Wakefield High's Amnesty has met with other school groups and participated in conferences and rallies. The group remains small but hopes that through increased awareness of the group's purpose, students will join our chapter and increase the membership over the years.*

To: KARYN DOOLEY

Something nice should be said so I oughta'  
Make it clear we have only one daughter,  
Who seems to excel  
Being busy as hell  
So I've nothing to do but applaud 'er

Always one to be high in the pack,  
For four years she pursued field & track,  
But it didn't stop there,

For the flute she'd a flair,  
And "starred" giving singing a whack

Whatever it was, you can name it  
She'd give it a go and then tame it,  
And when she'd fall short,  
Oh no, never the sort  
To find fault and upon others blame it

Luck & Love,  
Dad & Mom
